

7 Sacred Soul Qualities to Accelerate Your Manifesting

Use the questions below to help you determine how you currently use the seven soul qualities for manifestation.

QUALITY 1

How do you experience your divine nature in relation to other people and your environment?

QUALITY 2

What keeps you motivated to achieve your goals?

QUALITY 3

Does action or interaction help you more easily manifest?

QUALITY 4

How do you shift your vibrational state to create new circumstances?

QUALITY 5

How do you approach the act of creation to maintain a high vibrational state?

QUALITY 6

How can you use your environment to help you manifest?

QUALITY 7

How do you choose which vibrational state to move toward?
